MALEK BEN JEMIA

Senior cybersecurity student & Penetration tester

malekbenjemia1@gmail.com | +4915510784187 | Germany
malek-benjemia

With 6 years of cybersecurity experience and a strong networking background, I'm a cybersecurity aficionado, and I'm actively learning. My current focus is in Web/Network pentesting, however I'm eager to embrace new opportunities

LANGUAGES

Arabic: **Native**
German: **A2**
English: **Fluent B2**
French: **Fluent B2**

SKILLS

Routing & Switching
TCP/IP
Firewall management
IDS /IPS
OWASP
OSINT
Network & Web pentesting

TOOLS

Burp Suite
Packet tracer
Wireshark
OpenNMS
Hydra
metasploit
John
OSINT
SQLmap
proxychains

CERTIFICATIONS

eJPT
CCNA RS
eWPT

EDUCATION

Exchange Student | Schmalkalden University

04/2024 – Present | Thuringia, Germany

Engineering | TEK-UP

09/2021 – Present | Ariana, Tunisia

- GPA: 2

Bachelor | ISET Rades

09/2017 – 06 2021 | Rades, Tunisia

- GPA: 2

EXPERIENCE

End of studies project : Network Implementation and Design | TMI

02/2021 – 06/2021 | LAC 3, Tunisia

- Orchestrated the setup and architecture of the network infrastructure for the newly established TMI/ORADIST Headquarters
- Engineered a Highly Available LAN infrastructure by integrating redundancy across network equipments.
- Implemented MAC address authentication for VPN connections.
- Employed a suite of monitoring software including OpenNMS, Pandora FMS, Cacti, Nagios, and PRTG for comprehensive network surveillance.
- WIFI-6 | Access Control | Firewall Configuration | High Availability | VLANs | IP Cameras Network | IP Phones Network | SNMP v3

Internship | Centre de Transmission Numérique TUNISIE TELECOM

01/2020 – 02/2020 | Ez Zahra, Tunisia

- Executed the commissioning and operational activities for dedicated lines, ensuring seamless connectivity and performance.
- Consistently identified and reported faults in networking equipment to ensure prompt resolution of issues.
- Conducted operation and maintenance tasks for a range of transmission equipment, ensuring optimal functionality and uptime.
- Cisco Prime | Huawei U2000

ACHIEVEMENTS

- TOP 100 HTB Hall of fame
- Elite Hacker Rank HTB
- TOP 7% THM

INTERESTS

CTFs
Chess
Gaming
Reading
Sports
Photography

Internship | Arab Tunisian Bank

01/2018 – 02/2018 El Mourouj, Tunisia

- hands-on experience in managing customer info, processing transactions, and handling inquiries.
- Develop proficiency in documentation, record-keeping under supervision.
- Learning essential banking procedures

PROJECTS

Business Continuity Plan Audit |

10/2023 – 11/2023

- Load balancer advantages in enterprise BCMS hosting

Audit according to 27001 |

11/2023 – 12/2023

- Implementation of a highly available architecture based on an open source WAF

Network security |

10/2023 – 12/2023

- Implementation of an open source Network operational center solution

summer project |

7/2023 – 08/2023

- Implementing an open source honeypot solution
